(D)	Insignificant/detrimental	good fair poor bad 1013

Notable features:

Numbers 1015-1017 are unsightly but are sturdy buildings which should be rehabilitated. They appear to be older buildings with new fronts. The vacant lot should have infill building.

Environmental context:

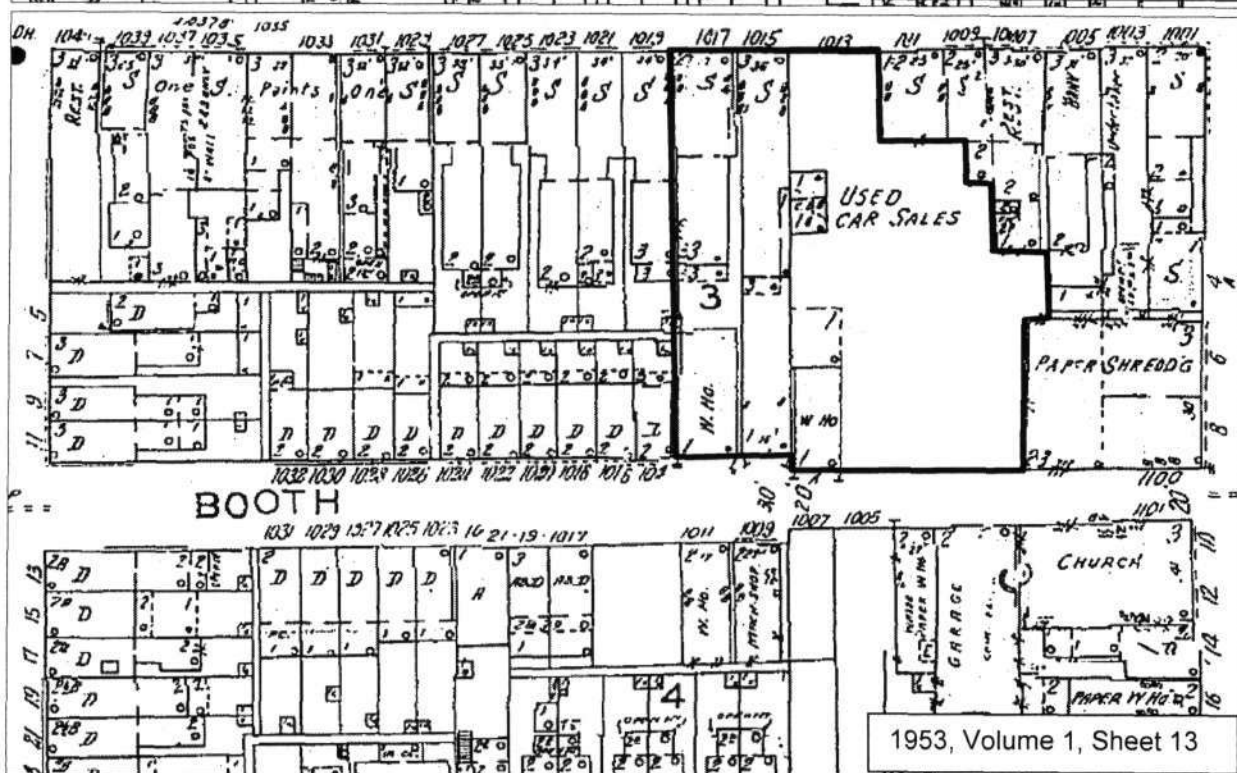

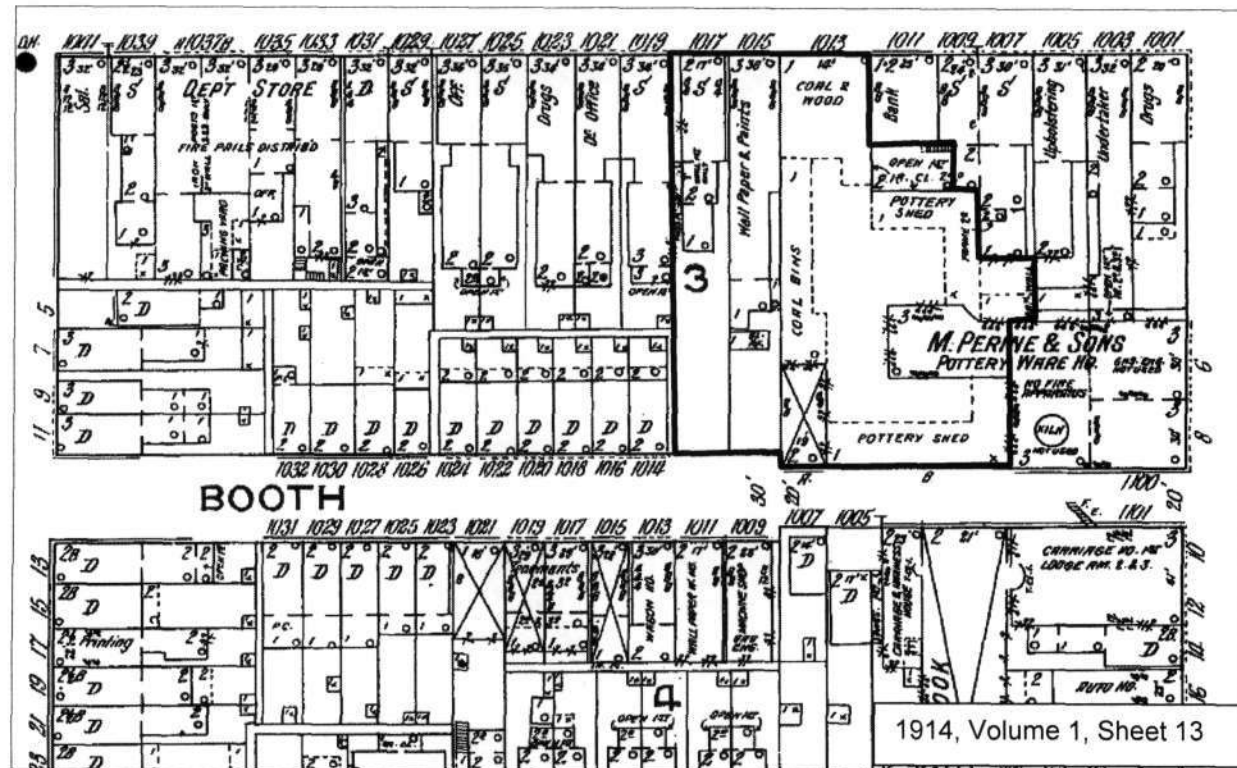

The used car sales at vacant lot (number 1013) should be removed. Number 1017 is vacant; 1015 appears to be a storage or wholesale use which certainly doesn't contribute to the street visually or otherwise. The street needs overall design.
